

INT. THE WESTLEY'S KITCHEN - NIGHT

Andrew and Sheila are cleaning up the kitchen

ANDREW

I didn't think she'd ever get to bed.

SHEILA

Yeah...

They clean in silence for a few moments. Sheila stops and looks at Andrew.

SHEILA

I think we should to talk to Chris about Rachel.

ANDREW

Both of us have already talked to him about sex.

SHEILA

So?

ANDREW

What are you gonna say now that we haven't said before?

SHEILA

You think he should be having sex now?

ANDREW

Maybe, maybe not...you gonna track his every move when he's going out?

SHEILA

I can't believe this...
