

INT. THE WESTLEY'S KITCHEN - AFTERNOON

Sheila walks into the kitchen just as Chris is hanging up the phone.

SHEILA

Did you talk to Rachel about the dance?

CHRIS

She said yes.

SHEILA

You know, it would be really nice if you got her a corsage for the dance.

Chris ponders it for a second and then shakes his head.

SHEILA

It's a semi-formal, right?

CHRIS

I've already given her flowers.

SHEILA

You don't have to if you don't want to, but all I'm saying is that she would really appreciate it.

CHRIS

Uhhh...how much do they cost?

SHEILA

I'll tell you what, you find out what she is going to wear and we'll go down and I'll pay for it.

CHRIS

You want me to ask her what she's wearing?

SHEILA

No, just call up Mrs. Darden when Rachel isn't around and have her find out for you.

Chris shrugs.

CHRIS

Okay.
